

SAVE THE DATE

Professional Development and Leadership Institute

September 6 - 7, 2018

The Professional Development and Leadership Institute is a conference intended to develop students' professional and leadership skills. The two-day event is organized by the Career Services Center in partnership with local and national companies. Students who attend this event will have an experience that will empower them to reach their full potential.

Conference Activities

- Panel discussions with corporate recruiters, human resource managers, alumni, and senior leaders
- Professional development workshops on career related topics
- Seminar sessions on dining etiquette, resume writing, attire, credit, and banking
- Networking opportunities
- Interview preparation for summer internship opportunities

To register for this special two-day event, complete the online registration at www.subr.edu/careerservices and click on the Professional Development and Leadership Institute tab.

Contact the Career Services Center for additional information at 225-771-2200. Registration is mandatory.

Participating students must attend both days (Thursday and Friday).

Space is limited.
