SOUTHERN UNIVERSITY and A&M COLLEGE

#### Greetings college relations officers, corporate recruiters, school districts, and career day supporters:

he Southern University Office of Career Services Center is gearing up for its Fall 2014 Career Exploration Day to be held, Wednesday, September 17, in the Southern University, Baton Rouge, Felton G. Clark Activity Center. We are excited about this year's activities and are looking forward to you sharing the wonderful career opportunities available with the University's corporate partners. We are also excited to showcase the university's most valuable assets - OUR STUDENTS.

The goals of this semester's Career Exploration Day activities are to:

- Make SU students and alumni aware of the career opportunities available to them,
- Offer workshops and seminars to help students prepare for full-time employment, and
- Increase the number of students obtaining cooperative employment, internships, and full-time employment

#### Other Career Exploration activities include:

**The Youth Motivation Task Force (YMTF)**, which allows successful professionals from various backgrounds to interact with SU students and introduce them to private and public sector job experiences. Youth Motivation Task Force activities will take place September 3-4. To register for YMTF activities, complete the attached YMTF participation form.

**The Business and Industry Cluster,** which is a consortium of more than 50 local and national companies that have provided financial resources, equipment, human resources, and technical support to Southern University in an effort to grow and produce highly-qualified, job-ready students. Additional information on the Business and Industry cluster is attached.

The registration fee for the Fall 2014 Career Exploration Day is \$275 for a single booth and \$500 for a double booth. Registration forms are enclosed along with the Fall 2014 activities agenda. All materials to be distributed during the career day must be shipped via Gulf Coast Event Services. See the enclosed forms for more information. Please be aware that the SU Career Services Center is not responsible for any packages not shipped through Gulf Coast Event Services.

The Career Service Center is proud to announce the launch of the new Jobs4Jags website. The new site offers a variety of tools that can help our students launch their careers; tools such as résumé building and résumé critique. There are also great features for employers as well. As an employer you will have an opportunity to browse all relevant résumés to make a selection based upon the needs of your company. The Career Service Center Office is elated to launch the new system. We believe the simplicity of the new system will make it easy for employers and students to find exactly what they are looking. In conjunction with our employers, the Office of Career Service is utilizing our new system to put our jags to work.

You are invited to visit us at our new location in suite 1100 T.H. Harris Hall. Thank you for supporting SU Career Exploration Day and I look forward to seeing you in September.

Best Regards,

Inmara F. Mont.
