

Becoming a First Year Experience Peer Mentor Champion (PMC)

Successful and engaged Southern University and A&M College undergraduates, sophomores, juniors and seniors are encouraged to apply for the opportunity to mentor an incoming first time, fulltime freshman. Being a mentor provides valuable experience for students who seek to develop their communication and leadership skills and ensure they are well aware of their support system while on the BLUFF. All Mentors will be paired with ten (10) first-time, first year scholars. Note that a Faculty/Staff Mentor or SUBR community leader will accompany mentors throughout 0-30 credit hours.

**Mentees will be matched with their mentor by Academic College.*
