## **Preface**

The Fact Book for Southern University and A&M College located in Baton Rouge, LA, is an annual publication that provides a ready source of information to answer frequently asked questions about the University and its operations. It contains a broad spectrum of information about the past and present, and its primary purposes are to promote organizational understanding and provide a basis for decision making. Some of the information presented in this edition is taken from Louisiana Board of Regents Data Publications, as well as administrative reports produced by various University offices. The Office of Institutional Research and Assessment (IRA) would like to thank those offices for their valuable contributions. In an on-going effort to provide timely information, IRA will continue to refine this document each year, and welcomes your comments and suggestions.

## **Mission Statement**

The mission of Southern University and A&M College, an historically Black, 1890 land-grant institution, is to provide opportunities for a diverse student population to achieve a high-quality global educational experience, to engage in scholarly research, and creative activities, and to give meaningful public service to the community, the state, the nation, and world so that Southern University graduates are competent, informed, and productive citizens.

Dr. Ray L. Belton

## **Message from the President-Chancellor**

Southern University and A&M College, the largest of the five-campus within the Southern University System, the only historically black university system in the U.S. We are a proud university, boasting a history of success that has defied our meager beginnings on Calliope Street in New Orleans in 1880 and our move, in 1914, to a single building in Baton Rouge.

Our first president, Dr. Joseph S. Clark and later his son, Dr. Felton G. Clark set the foundation for an institution that would unlock the doors of higher education for generations of young, inquisitive African Americans. While still true to our original mission, Southern University is now a global community with students and faculty representing more than two dozen countries.

Southern University graduates now sit in the boardrooms of Fortune 500 companies, are successful entrepreneurs, educators, and work as scientists and engineers at major laboratories and industries around the world. Remarkably for a small urban campus, 10 of our students have become generals in the United States military.

We are among the top producers nationally of African American students who earn undergraduate degrees in engineering and nursing. Southern University has been recognized as one of the top 10 highest producer of bachelor's degrees awarded to African-Americans in the United States. We will build on that achievement as we restructure Southern University to be even more responsive to the needs of today's students.

The information you will find in this document will provide a quick snapshot of our great university and the role we play in preparing our students for multiple career opportunities.

## **Brief History of Southern University**

The history of Southern University extends over a period of more than one hundred years. The institution was chartered in January 1880 by the General Assembly of the State of Louisiana in accordance with a bill sponsored in 1879 by Pickney B. S. Pinchback, T. T. Allain, and Henry Demas.

The University opened its doors to twelve students on March 7, 1881, in New Orleans, Louisiana, where it remained until 1912 when it was closed by Act 118 of the Louisiana Legislature. Act 118 also authorized the reorganization of the University, and it reopened in Scotlandville, Louisiana, on March 9, 1914, under the presidency of Dr. J. S. Clark. The Scotlandville location is the present site of the Baton Rouge Campus.

The years that followed have brought growth for the University in the quality and scope of its programs, as well as in enrollment. The University was recognized as a land-grant college in 1892. In 1940 the College of Arts and Sciences was departmentalized. Subsequently, the Law School (1948), the Graduate School (1958), the New Orleans Campus (1956), and the Shreveport-Bossier City Campus (1964) were established. In 1975 the Legislature created the Board of Supervisors for the Southern University System. The Southern University Agricultural Research and Extension Center was established in 2001.

Dr. J. S. Clark was succeeded as president in 1938 by his son Dr. Felton G. Clark, who served as president until his retirement in 1968. Dr. F. G. Clark was succeeded by Dr. G. Leon Netterville, who was succeeded after his retirement in 1974 by Dr. Jesse N. Stone, Jr. Dr. Joffre T. Whisenton was selected by the Board of Supervisors to succeed Dr. Stone, effective September 1, 1985. Dr. Joffre T. Whisenton was succeeded by Dr. Dolores R. Spikes in October 1988. On January 1, 1997, Dr. Leon Tarver II was appointed system president. Dr. Edward Jackson was named interim president in 2005; and was succeeded by Dr. Ralph Slaughter in 2006. Dr. Ronald Mason was selected as president in 2010.

Dr. Roosevelt Steptoe served as the first chancellor of Southern University at Baton Rouge from 1977 to 1982. He was succeeded by Dr. James J. Prestage in 1982. Dr. Wesley Cornelious McClure was selected to serve as the third chancellor of Southern University at Baton Rouge on August 16, 1985. Other Chancellors of the Baton Rouge campus have been Dr. James J. Prestage (1982-1985), Dr. Wesley McClure (1985-1988), Dr. Dolores R. Spikes, (interim 1988-1991), Dr. Marvin Yates (1991-1998), Dr. Edward R. Jackson (1998-2008), Dr. Kofi Lomotey (2009-2011), Dr. James Llorens (2011-2014), and Dr. Ray L. Belton assumed the position of President-Chancellor on July 1, 2015.

## International Student Information Fall 2015

The International Students Office was established to assist the F-1 International Students in meeting various U.S. Citizenship and Immigration Services (USCIS) requirements throughout the study period and provide information designed to facilitate the adjustment of International Students to live in the United States and Southern University. The International Students Office serves as the final phase once the International Student has been admitted into the University (Undergraduate Admission Office and Graduate School Admission Office) by determining their compliance with the University and/or U.S. Government regulations, laws, policies and their ability to finance their program at Southern University and A&M College.

Our international students are very diverse and originate from countries all around the world, such as:

Antigua and Barbuda	Cameroon	Jamaica	Senegal
Angola	Dominican Republic	Kenya	Trinidad and Tobago
Australia	Ethiopia	Liberia	Turkey
Bahamas, The	Gambia, The	Mali	Turkmenistan
Brazil	Gabon	Nigeria	Tanzania
Burundi	Germany	Nepal	Uganda
Shri Lanka	Haiti	Pakistan	United Kingdom
Canada	India	Philippines	Uzbekistan
China	Iran	Saudi Arabia	Venezuela
