

How do I View an Assignment That I Have Completed for A Student's Assignment.

A: Follow these steps:

1. From the **Dashboard** click the **Assignment Progress Bar** that corresponds with the assignment assessment to be viewed.
2. The **Submissions & Grades** tab will open. This tab corresponds with the **Assignment Progress Bar** and displays the names of students identified as: **Awaiting Submission**, **Awaiting Assessment**, or assessments that have been **Completed**.
3. Click on the student's name.
4. If the student has submitted more than one submission in the past, a **Previous Submissions** tab will display on the top section of the page.
5. Click the tab and use the dropdown menu next to Submission Date to view previous submissions and corresponding assessments.
