NOTES TO STUDENT:

In general, students who have been dropped for NON-ATTENDANCE will not be reinstated into the classes from which they were dropped.

Reinstatements will be considered if either:

- *the instructor made an error and the student was in attendance prior to being dropped OR
- *the student can document a crisis that prevented attendance and the instructor believes that there is a strong probability that the student can catch up in the class.

A student who falls into one of these two cases can carry this form to the instructor. If the instructor signs the form and the student returns it to the Cashier's Office and confirmation of payment is received by the deadline for seeking reinstatement, then the student will be reinstated in the course.

The deadline for seeking reinstatement for the **Fall 2019** Semester will be **Friday, September 13, 2019**.

Students who have been dropped for NON-PAYMENT may petition for reinstatement to classes by completing the steps listed below. The instructor may disapprove a petition if he/she believes that the student has missed too much course content to have a strong probability for success in the class.

1. Complete a separate petition for each class for which you are seeking reinstatement.
2. Obtain the signature of the instructor that you have attended the class. Instructor approval is required for reinstatement to a class.
3. Take the completed petition to the Cashier's Office (J.S. Clark Administration Building, 1st Floor) and make the required payment.
