UNIT OF CREDIT

The unit of credit is the semester hour, defined as one class meeting a week (or its equivalent) for one semester of 15 weeks.

COURSE NUMBERING SYSTEM

The course numbering system at Stephen F. Austin State University traditionally consists of 100 - 400 level courses as undergraduate courses, 500 level courses as graduate courses and 600 level courses as doctoral courses. Each course is assigned an alphabetic prefix and a three digit number. The first of these numeric digits identifies the academic level of the course. Freshman or first year courses are designated by a "1", sophomore or second year courses are designated by a "2", junior or third year courses are designated by a "3", senior or fourth year courses are designated by a "4", graduate level courses are designated by a "5" and doctoral level courses are designated by a "6". Certain 400 level courses may be approved for graduate level credit. These courses will appear on the graduate transcript. 100 - 400 level courses may appear on the graduate transcript with * designating that the course is being excluded from that record.

Repeat Grades

A student who makes an F can get credit only by repeating the work. An undergraduate student who desires to repeat courses in order to improve his/her GPA at SFA must repeat those courses at SFA.

A. For any course that is repeated once at SFA, the higher of the two grades will be used to determine the GPA.

B. If a course is repeated more than once at SFA, all grades earned for that course will be used to determine the GPA. Credit hours for courses taken at other institutions to replace credit hours earned at SFA may be used to meet graduation credit hour requirements, but grades from transferred courses will not change the GPA based on courses taken at SFA. Only grades earned at SFA will be used for calculating GPA.
