Report of Evaluation of Educational Credentials

Name: GHEBREYESUS, Ghirmay

Purpose: Immigration

Country: United Kingdom

1. Master of Science, 1982, awarded by the University of Strathclyde following a two-year program in economics. This represents the equivalent of a master's degree in economics from an accredited institution in the United States.

2. Doctor of Philosophy in Economics, 1988. The degree was awarded by the University of Strathclyde by research and dissertation. This represents the equivalent of an earned doctorate (Ph.D.) in economics from an accredited institution in the United States.

3. This is an assessment of educational documents only. World Education Services, Inc. does not evaluate accomplishments outside of actual academic training. Thus, we do not provide judgment on professional experience; only qualified authorities in the field of specialization can determine the extent and level of professional expertise.

4. In summary, it is the judgment of World Education Services that Ghirmay GHEBREYESUS has the equivalent of master's and earned doctorate (Ph.D.) degrees in economics from an accredited institution in the United States.
