## CALENDAR

Oregon State University operates on the term or quarter system. Fall, Winter, and Spring terms are each approximately 10 weeks in length followed by a one-week period of examinations. Summer term classes are conducted on 4-, 8-, and 11 week sessions which run simultaneously. During its existence, the K-12 system operated on the semester system with a full 18-week session Fall and Spring semesters, Summer semester was conducted in a 9-week session.

## ACCREDITATION

Oregon State University is accredited by the Northwest Commission on Colleges and Universities, the regional accrediting agency. Several departments, schools, and colleges are accredited by professional accrediting associations recognized by the Council on Higher Education Accreditation (CHEA).

## TIME STATUS

Full time status is defined as 12+ credits for undergraduate and post-baccalaureate; 9+ credits for graduate students; 18+ for cat students. Half time status is defined as 6-11 credits for undergraduate and post-baccalaureate; 3-8 credits for graduate students; and 13-17 credits for cat students. Part time status is defined as 1-5 credits for undergraduate and post-baccalaureate; 1-4 credits for graduate students; and 1-4 credits for cat students.

## INCOMPLETE/ALTERNATE GRADES

An Alternate Grade is depicted on the Oregon State University transcript as an EA, EA-, EB-, EB-, EC-, EC-, ED-, ED-, EF, EF, FN, FN-, and an I. The notation of the alternate grade symbolizes aspects. The notation of the alternate grade does not indicate the student would earn if the student does not resolve the incomplete course work within one year of the recording of the incomplete or at the point of degree conferral (i.e., an ED- will revert to a D-). Once the incomplete is resolved or defaults to the alternate grade, the "Alternate Grade" will be replaced by a standard letter grade.

## REPEATED COURSES

From Fall term 1972 to Summer term 1985, only the base grade earned in a course is credited to the student's grade point average and credits toward graduation. Effective Fall term 1985, all grades earned in a course are included in the student's grade point average. A grade followed by an "A" in the repeat column indicates a repeated course that will count in the cumulative grade point average, but not toward graduation. Effective Fall term 1997, courses may be repeated once for grade replacement. Although both grades appear on the transcript, only the second grade counts into the grade point average and toward graduation. Any course taken more than two times and is not repeatable, or previously passed, will appear on the transcript with a grade followed by an "R" indicating the course will not count in the cumulative grade point average, but toward graduation only.

E-transcripts file a blue certificate banner at the top of the PDF file that reads "Certified by the Office of the Registrar, Oregon State University."
