

SCIENCES/ MATHEMATICS

Since 1992, Dr. Meyinsse has taught courses in calculus, geometry, and statistics, and has worked with the 1994- 95 LaCEPT program in conjunction with a LaSIP project involving primary and sec-

ondary school teachers. He has served as a consultant for EBR Parrish schools and has implemented numerous projects for school success. He has authored and co-authored several articles in refereed journals and has made many presentations at professional meetings. He currently serves as a member on the school Improvement Team at Crestworth Middle, and has extensive experience in conducting workshops for teachers in East Baton Rouge and surrounding parishes.
