Classes meeting at 6:00 p.m. or later should hold final exams during the last class meeting period.

Conflicts in examination times should be mediated by the student and the course instructor.
Examinations for times not listed should be administered during the last class meeting of the course.

Examinations in laboratory, physical education activity classes and classes whose credit hours are less than three (3) are given at the option of the instructor and may be administered during the last regularly scheduled laboratory/class period. When an examination covers lecture materials or both laboratory and lecture materials, the examination should be given at the time period prescribed for the lecture in this schedule.

Any deviations from the scheduled times above must be approved by the department chair and college dean.
