

SOUTHERN UNIVERSITY

Engineering College Advisory Council of Visitors MEMBER SURVEY-2007

We would appreciate your feedback on the Undergraduate and Graduate programs in our college. Please rate your responses on a scale of 1 to 5 (where 1= low and 5= high).

High
1 2 3 4 Low
5

Undergraduate Programs:

- a) Is Industry involved in setting and evaluating the level to which college strategic goals are being achieved?
- b) Are the college strategic goals tied to the mission of its departments, college, and the University?
- c) Are the status of the Action Plans for 2006-2007 satisfactory to achieve the college's objectives?
- b) Are the implemented curriculum revisions necessary and sound?

Graduate Program:

- a) Is the Master of Engineering degree program organized and administrated properly?
- b) Should the college pursue more advanced degrees?

General Information:

- a) Was the visit worthwhile and were you able to contribute?
- b) How helpful was the information given on the state of College programs?
- c) What was the level of suitability of the meeting rooms?
- d) What was the level of quality of the meals?

Comments: Please provide any suggestions on how the College should make improvements on the above items.
