			Spanish for Law Enforcement	SPAN 214-215 (CODE 3)	
TOTAL		18	TOTAL		18

General Education Students

If a student requires six or more hours of a foreign language as part of his/her graduation requirements, these hours must be taken in the same language, otherwise the student will not receive degree credit for those foreign language courses (exceptions: Arabic 100/101, Chinese 100/101, German 100/101, Japanese 102/103, Portuguese 100/101, Swahili 214/215, and Wolof 100/101).

Credit by Placement Examination

Credit by placement examination is offered prior to the beginning of Fall and Spring semesters for 100 and 101 level courses in French and Spanish (for all other languages, please check with the department of World Languages if credit by placement examination is available).

Students with two or more years of high school credit and native speakers should consult the World Language program leader prior to registration for Fall/Spring semesters for classes, they would like to take the placement exam for. Students can take only one placement exam per semester. Other conditions apply; please consult with the program leader of World Languages.

Native speakers are not allowed to take placement exams for 100/101 level courses and therefore cannot receive credit for these course levels in the foreign language.
