The SU MBA Program provides students with a broad knowledge by incorporating timely business topics into the curriculum that includes business communication and professional development, managerial accounting, managerial economics, financial management, quantitative analysis for business decision, management information systems, operations management, international business, marketing management, organizational behavior and leadership and business strategic decision making. Additionally, students are provided an opportunity to specialize in any of the high-demand seven concentrations that include entrepreneurship, human resources management, international business, supply chain management, accounting, finance and marketing. The MBA Program is accredited by AACSB International.

Job Opportunities

An MBA is extremely versatile and will allow you to pivot in many different directions depending on your MBA specialization, work experience and your individual skill set. The career options include human resources manager, project manager, marketing manager, operations management, financial/budget analyst and other various careers.

Admission Requirements

- A Bachelor's degree from an accredited U.S. Institution or the equivalent from a foreign institution.
- Cumulative minimum grade point average (GPA) of 2.5 or above on a scale of 4.00
- A four-page double-spaced Career Objectives Essay
- Acceptable GMAT or GRE Scores not older than five (5) years.
- GMAT/GRE exemption with 3.0 or above GPA and appropriate work experience of at least 3 years.
- Current professional resume showing work and leadership experience.
