Fall 2020 Move-In

Move-in will be extended over the course of the day to ensure that social distancing practices are maintained. New residents will be given a specific date and time window to move into their residence hall.

- Each building will have a set number of residents per time window checking in.
- Only two non-residents will be allowed in the building to help students move-in.
- Residents and non-resident helpers will be required to answer a questionnaire and have their temperatures taken before entering the building.
- If a resident or non-resident has a positive questionnaire and/or a temperature, they will not be allowed to move in.
- Residents and visitors will be required to sanitize their hands before entering the building.
- Everyone must wear a mask during move-in. If you do not have a mask, one will be provided at the front desk.
- Only the resident will be allowed to enter for check-in and to receive keys.
- Non-residents will be given color coded guest credentials before proceeding to the resident's room and sign out when leaving the building. Non-residents will be allowed in the residence halls during your move-in times only.
- All residents/non-residents are to practice social distancing as best as they can.
- Only two (2) people are allowed at a time in the elevators.
- Side entrances would be open for move -in **ONLY**.

Residence Halls & Rooms

- Anyone entering a residence hall/apartment building (including residents) must wear a mask while in common spaces.
- NO Visitation (strictly enforced).
- Signage will be placed on every suite entrance door as well as suite bedroom doors explaining how students should self-report COVID-19 symptoms/issues and social distance protocols.
- Residents should bring their own cleaning supplies to clean bedrooms/bathroom.
- Residents should keep all personal toiletries in their closets. (toothbrush, combs, curling irons)

- Custodian staff will be going into the suites to clean bathrooms on a scheduled basis. This schedule will be posted in the rooms so residents can be aware and remain in their rooms or not be in the suite during these scheduled cleanings.
- Students will be notified before maintenance is done in the suite/bedroom. This includes housing maintenance, facilities management, and third-party vendors. All employees must sign in at the desk indicated the room they are going into or put their name on the work order to be inputted into the work order system.
- Students will be notified of room checks on a weekly basis.
- Third-party vendors will be escorted by Housing staff. They must sign in/out at the desk each time they are handling a maintenance issue/routine maintenance in an on-campus building.
- Frequent reminders of proper hand hygiene (verbally, posters, videos) with hand sanitizer widely available in common areas.
