Description	The Director of Athletics provides administrative direction and oversight to all aspects of the athletic program at Southern University. The Director has responsibility for formulating policies and guidelines relative to the athletics program; ensuring compliance with all federal, divisional and university athletics regulations; administering departmental funds and accounts in a fiscally responsible manner; sustaining a culture of sportsmanship, professionalism, respect and academic excellence; interacting with student administrative offices and admissions on the recruitment and retention of student athletes; and collaborating with Media Relations on publicity and reporting of athletic events and results.
Qualifications	Minimum qualifications are a master's degree and 3-5 years of athletics administration experience. The successful applicant will possess demonstrated ability to hire coaches with potential for academic and athletic success and have a vast knowledge of the Academic Performance Program (APR). Candidates must also have knowledge of Division I NCAA rules and compliance issues concerning the administration of intercollegiate athletics.
Salary	Negotiable
