

Creating a Culture of Sustainability (CaCoS) An Undergraduate and Graduate Research Conference April 15, 2015

Research Abstract and Visual Performance/Exhibit Proposal Guidelines

This conference, the first of its kind at Southern University, is open to the public and will feature work by hundreds of students across the disciplines from the Southern University System. These students will present original research and artistic endeavors, with a sustainability focus, in poster sessions, visual exhibits, and creative performances. In addition, there will be seminars for students on career development, sustainability and the workforce, and graduate and/or doctoral study preparation.

We appreciate your interest in presenting at the Southern University Undergraduate and Graduate Research Conference. To submit an abstract or proposal for presentation review, please complete the form below and submit electronically to ORSI@subr.edu by Monday, Thursday, February 26, 2015. Be sure to include "SUSTAINABILITY ABSTRACT" in the email's subject line. A review committee will determine whether your abstract or proposal has been accepted for presentation and you will be notified by March 12, 2015.

For more information about abstract and proposal submission, please contact Deidre Hardy-Street at (225) 771-3361 or deidre_hardy@subr.edu.

PRESENTATION/EXHIBIT/PERFORMANCE INFORMATION

Title:

Area of Submission:

Type of Submission:

- Abstract for Poster Presentation (15 minutes)
