SOUTHERN UNIVERSITY

AND AGRICULTURAL & MECHANICAL COLLEGE

Southern University is an institution that stands firmly on the pillars of *EXCELLENCE, PRIDE, & TRADITION*. In everything the university does, from teaching to supporting our students, we work in *EXCELLENCE*. The *PRIDE* that's carried from student to alumni status is truly expressed from the classroom to boardroom. The founders understood the importance of education and 138 years later the university continues to push academics first, keeping the *TRADITION*.

Founded in 1880, the university's doors opened in New Orleans and 20 years later, relocated to Baton Rouge, Louisiana, along the Mississippi River. Today, Southern University provides more than 60 undergraduate, graduate and doctoral degree programs and is accredited by the Southern Association of Colleges and Schools Commission on Colleges. The institution is part of the Southern University System, the only Historically Black Colleges & Universities in the nation.

In the 21st Century, Southern University continues to attract and recruit diverse, energetic, innovative minds from all parts of the globe that become business executives, engineers, educators and much more. Southern has administration, faculty and staff who are committed to providing every student with the ultimate teaching and learning experience.

Competitive opportunities are the answer to an ever-changing workforce. Southern University works avidly to engage in scholarly research, creative activities and give meaningful public service to the community, state, nation and world.

OUR COMMITMENT

Since its establishment in 1880, Southern University and A&M College has maintained a tradition of **EXCELLENCE** and continues to thrive as it sustains its rich **HISTORY.**

MUSIC IN MOTION! The Southern University Marching Band raises the bar and sets precedents for other collegiate marching bands and ensembles. **OFTEN IMITATED, BUT NEVER DUPLICATED!** Globally known as **"THE HUMAN JUKEBOX,"** our band prides itself in the unique ability to execute precision drills better than any other marching ensemble in the country. The **"JAGUAR ROCK,"** high steps and meticulous formations are only a few of the skills that contribute to the band's flash. The Human Jukebox along with the **FABULOUS DANCING DOLLS** have captivated audiences worldwide and redefined the term "college-style band."

Southern University and A&M College has a rich history of providing students with a high-quality academic experience. Southern offers a diverse opportunity for academic, extracurricular and social engagement and development. We understand that providing a safe, positive environment for all students is paramount to their success inside the classroom and beyond.

Working in partnership with faculty and staff across campus, we prepare students to be responsible and contributing members of a diverse, global society by providing learning-centered environments, meaningful out-of-class opportunities, and professional support services that help them learn through experience and achieve academic success. It is our mission to ensure that we are providing the services and support you will need to excel!

CAREER SERVICES CENTER

The Mission:

The mission of the Career Services Center is to aid and assist the students and alumni of Southern University in developing, evaluating, and implementing career plans. The center, in partnership with local and national corporations, also provides opportunities for qualified applicants to secure internships and post-graduate employment.

The Career Services Center promotes teaching lifelong skills that assist students and alumni in identifying, researching, and developing career opportunities. The Center encourages our students to follow our comprehensive Four-Year Career Plan during their Southern University experience. They assist students and alumni in executing this plan by providing workshops on various career-related topics such as resume' and cover letter writing, interviewing skills, internship exploration, proper dining etiquette, job search techniques, and appropriate attire for interviews and job-related events. The team works to establish partnerships with employers wishing to recruit our students. Various events are consistently held to bring students, alumni, and employers together including career fairs, networking events with alumni, employer presentations, and the campus recruiting program.

Life on the **BLUFF**

THE PERFECT LOCATION

Southern University and A&M College is located in Baton Rouge, Louisiana, and sits on Scott's Bluff, overlooking the Mississippi River in the northern section of the city. The campus encompasses 512 acres with an agricultural experimental station on an additional 372-acre site located five miles north of the main campus. The University is a member-school of the Thurgood Marshall College Fund.

LIVE IT UP ON THE YARD

As a Southern University residential student, you will have many opportunities to interact with students, faculty and staff as you learn to think and act as ethical leaders and responsible citizens. You will find that the Residential Life staff are here to help you make the most of your SU campus living experience.

GRAB A BITE: FOOD FAVORITES

Mayberry Dining Hall is a Real Food on Campus Branded residential restaurant centrally located on campus. Real Food on Campus means Real food, Real look, Real people, Real results. We utilize the freshest ingredients and move the focus from the back-of-the-house to the front to create the ultimate student dining experience.

Dunn Dining Hall is conveniently located in the heart of the residential community. We offer a wide variety of menu items to satisfy all students' needs.

The Jaguar Express is located in the Smith-Brown Memorial Student Union. Students can "Have it Your Way" at Burger King, "Eat Mor Chikin" at Chick-Fil-A, and enjoy Mexican cuisine from Mexi-Go. You can even have a home-cooked meal from the Louisiana Home Zone. All locations accept Declining Balance (part of student meal plan), Visa, Mastercard, and Cash.

About **BATON ROUGE**

LOCATION AND CLIMATE

Baton Rouge, the state capital, is located in southeast Louisiana, 157 miles north of the Gulf of Mexico and 80 miles WNW of New Orleans via Interstate 10. Baton Rouge is also served by I-12.

Baton Rouge has a semi-tropical climate, perfect for outdoor activities. The weather is consistently warm from May to September and winter is usually mild and short-lived. Spring is glorious with cool nights and warm, sunny days. A light jacket is all that is needed. Fall is mild and only a light sweater is needed in the evenings. Precipitation is reasonably well-distributed and ample throughout the year with an average annual precipitation of 55 inches.

WHY BATON ROUGE?

Baton Rouge is rapidly moving forward, becoming America's next great city. Through the years, Baton Rouge has been and continues to be shaped by a variety of cultural and environmental influences. Travel down south and experience our cultural traditions seen in our unique attractions, embedded in the lyrics of our Zydeco, Blues and Cajun music, and tasted in our blend of Creole, African-American, French and Spanish cuisine. This city, Louisiana's capital city, is truly the center of Louisiana's cultural excitement.

While visiting, relive our colorful history through our cuisine and architecture, both a blend of Creole and Cajun, topped with Italian, German, Spanish, Caribbean and Greek flavorings.

So, whether your travels bring you to Baton Rouge for leisure or business, take time and enjoy the sights, cuisine and southern hospitality!
