CORE COMPETENCIES

➤ **Engineering Services**
   Mechanical Engineering I-IV
   Electrical Engineering I-IV
   Electronic Engineering I-IV
   Civil Engineering I-IV

➤ **Technicians**
   Mechanical Engineering Technicians
   Electrical Engineering Technicians
   Certified Airplane Maintenance Power Plant (SUSLA)

➤ **Computational Proficiencies**
   MATLab, AUTOCAD, SAP, REVIT, Simulink, Solid Works, Auto Desk

➤ **Facilities Management**

➤ **Consulting Services**
   Structural Engineering, Design/Controls, Transportation

➤ **Certified in Reliability Engineering, Failure Analysis – Weibull**

➤ **3-D Printing-Additive Manufacturing**

SOUTHERN UNIVERSITY
AND AGRICULTURAL & MECHANICAL COLLEGE
